Partnering with you to Enhance our Communities.

Community Bank is proud to be part of the communities that we call home. We provided financing to local farmers to help them run a successful farming operation. We also loan money to build our neighbor's homes and local businesses. Whether you're opening your first savings account, approaching retirement, or starting a new business, our philosophy is the same, to serve the needs of our communities.

MONEY MATTERS. WORK SMART. LET COMMUNITY BANK HELP YOU BRING THE TWO TOGETHER.
